What is the envelope facility?

It is a facility with your online account that lets you keep money separate to pay essential bills or save up for special occasions. This tool helps you keep track of your outgoings so you don't overspend by accident.

How often can I manage my money with the envelope facility?

As often as you like it is flexible. You can set the envelope facility to ringfence funds and make payments on a monthly or weekly basis. And you can release the money at any time if your priorities or circumstances change.

Will the envelope facility let me see what funds I can spend?

Yes, the facility separates funds for bills. You can see at a glance how much disposable money you have in your account that is available to spend once all your bill payments are taken care of.
